

## 7/13/17 SFE/MRR NW Minutes

Fourteen attendees enjoyed a Pot Luck of hamburgers, hot dogs, chili, salads, snacks and yummy desserts.

Mary mentioned the Code Red information and File of Life forms could be obtained at the back of the room.

She led a short Q&A on ATV Safety. Residents were able to answer correctly that:

- You must be a licensed driver 16 or older
- Anyone under 18 must wear a helmet.
- Only have a passenger riding behind you if the ATV has a second seat.
- An OHV Decal is required to ride off road in the forest.

The 2017 Summer Outreach was discussed. We decided:

- We set a stuffing date of Friday, July 21 at 3 pm.
- Binders/Portfolios are being purchased instead of using envelopes. (Staples – 1c each)
- Deb Switzer is making labels with a note asking residents to keep the information and listing their Block Captain and phone number.
- We will determine at this meeting when distribution will occur.
