

SHERWOOD FOREST ESTATES POA

Saturday – 7/13/2019

8am to 2pm

Hello neighbors, do you have some “old treasures” you would like to let go of? Well here is your opportunity.

The third annual SFE Community Yard Sale is coming Saturday, July 13, 2019. Hours will be 8am to 2pm.

Rachel Johnson and Kathie Krushinsky will be putting this yard sale event on this year.

All SFE residents are invited to participate and are asked to register with Rachel or Kathie by July 1st. All sales will be at your property and any funds you make are yours.

We are requesting a \$10 donation to help offset printing and advertising costs as well as balloons/streamers to be placed on your mailbox signifying you are participating. Any extra funds will go towards water bottle packs for our SFE Fire Department. Also, if you donate, your name will be placed “in the hat” for a \$20 drawing at the end of the sale day.

We will be placing fliers at both Parks stores and several stores/shops in Williams. There will be advertisements placed with Nextdoor, Williams newspaper, SFE Website as well as directional signs placed on the main roads.

This year we also have a neighbor on Longbow who will be BBQing hot dogs & hamburgers for a \$5 donation to go to our SFE Fire Department. They will as well as many of their own “treasures” for sale.

Hope you join us in this event and have fun waving goodbye to your “old treasures”.
