

Transform a life, and your own

When she was a high school student, Amanda's liver failed and she required an emergency transplant. If not for the 27 red cell, 26 platelet and 59 plasma transfusions she received, she would not have been able to become a nurse or have a family.

"Blood donors gave me the gift of life. Their generosity will always be a part of who I am. As a matter of fact, they inspired me to become a nurse."
