# Sherwood Forest Estates Newsletter

Summer 2002

## A Note from the President

Dear Friends and Neighbors,

The annual meeting of the Sherwood Forest Property Owners will be held on Saturday, July 6, 2002. This year we are trying something different. The meeting will be from 4:00 pm – 5:00 pm, followed by a fire department open house and new building dedication. Immediately after that will be a barbeque, potluck, and SFE VFD Auxiliary bake sale. Please bring your favorite side dish or appetizer accompaniment to hot dogs and hamburgers. Plan to buy your dessert and help support the SFE Fire Department.

The SFE POA is looking for a few of you to be on the Board. We have several vacancies this year. This is your opportunity to get involved and help to make Sherwood Forest Estates a friendly and inviting place to live. Please contact me at 635-0417 if you are interested in serving on the board and want more details. Or, be at the annual meeting, as we will take nominations from the floor.

Please read the articles about the fire danger in the pines, needle clean up and Fire Board Election.

I hope to see you at the annual meeting.

*Anne Dudley, SFE POA President*

## Fire Danger Extreme

Fire season is upon us! As of this writing, the fire danger is in the extreme range. The Kaibab National Forest is closed again this summer. When the forest is closed, **ALL** outdoor fires, including charcoal grills, are banned. You may still use your gas grill. **Please, no burning until the Monsoons come.**

After the Monsoons arrive, and the forest is wet again, please be careful with your outdoor fires. If you are going to burn outdoors, other than campfires, please call the Sherwood Forest Fire Department at 635-9837. If the weather is good, the winds are not too high and the forest is open, the duty officer will give you permission to burn. You will also need to call the Forest Service Dispatch at 635-2601 and tell them when and what you are burning.

When you are burning, either debris or a campfire, please follow these guidelines:

- Clear an area 30 feet in all directions
- Look up, don't burn under branches
- No flames more than waist high
- Watch the fire at all times
- Fires must be out, dead out, at night
- Keep plenty of water nearby
- Have a shovel handy
- A cell phone nearby is a good idea

Please call us if you have any questions. Let's all work together to make this a safe and fire free summer.

### 2001-2002 SFE POA Board

President:	Anne Dudley	<u>Members-at-Large</u>
Vice President:	Beth Dormady	Penny Mills
Secretary:	Dick Fisher	
Treasurer:	Lionel Giguere	

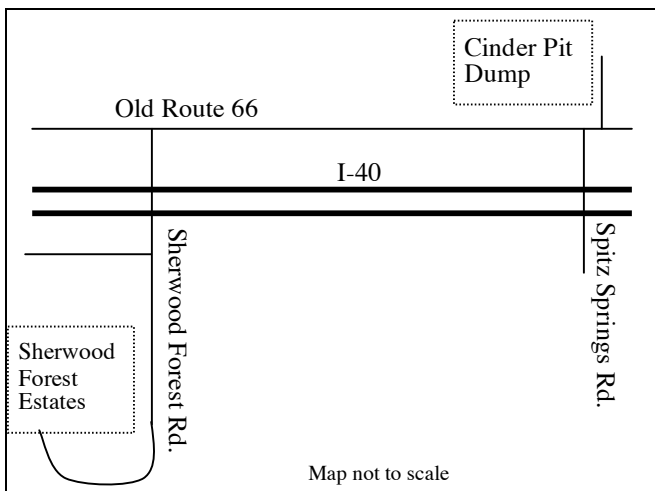

**Moon Set Cinder Pit Dump Open**

Once again this summer the Moon Set Cinder Pit dump is open to residents of Sherwood Forest to help encourage the cleaning of pine needles from property. Moon Set Dump is on Old Route 66 about half way to Parks. See the map below.

You are allowed to dump woody materials from around your home, but no household garbage or construction waste. That is, you can't bring those leftover 2x4s from your last remodeling project. If you bring pine needles in bags, please dump them out of the bags and take the bags back home.

The Moon Set Cinder Pit dump will be open from 9 am – 3 pm on the following Saturdays: June 15, July 6 and July 20.

We hope that you will take advantage of this special offer and make your property a safer place to live.

**SFE Fire Department**

The SFE Fire Department invites you to join the all-volunteer team of firefighters protecting our community. Stop by any of the training sessions or contact Bob Mills for details.

The new building will be dedicated on July 6 at 5 pm. Please plan to attend the dedication and open house.

**SFE Fire District**

The Sherwood Forest Fire District holds open meetings monthly on the third Tuesday at 7:00 pm in the SFE Fire House. All are welcome to attend.

This fall, two of the three seats on the board are open for election. If you are a registered voter in Coconino County and reside in the SFE Fire District and can attend the monthly meetings, please consider running for one of these two seats. Contact Sandy Peterson, Fire Board President, at the address below for details.

If you have comments or concerns about the SFE Fire Department or Fire Board, please drop us a line:

**Sherwood Forest Estates  
Fire District Board  
450 Little John Rd  
Williams, AZ. 86046**

Sandy Peterson, President  
Jane Snowberger, Treasurer  
Larry Donelson, Clerk

**SFE FFD Auxiliary**

The Sherwood Forest Estates Fire Department Auxiliary invites you to attend any of its planning meetings at 9:30 am on the third Saturday of the month at the SFE Fire House.

This year, in addition to the two traditional pancake breakfasts, the Auxiliary will be hosting a bake sale at the annual meeting and a community yard sale in early August. Now is the time to clean out your cabin and sell all your unneeded treasures to your neighbors. Also, plan to shop the yard sale to fill up those newly created empty spots in your home.

You can sell your items in one of two ways. For a small fee, you can have a table at the fire house or you can choose to have your house as one of the stops on the map. You can also donate items to the Auxiliary to raise money for the fire department. Contact Sue Hadley at 635-2055 for details.
