

Sherwood Forest Estates Newsletter

Fall 2011

From the President

Notes from the SFEPOA President:

I was just sitting on my porch swing thinking of our neighborhood. For full time residents Sherwood Forest Estates is a network of caring friends. Where we can have our privacy but still be in community with our neighbors.

For our part time residents SFE offers a myriad of vacation opportunities and outdoor activities. Visiting Williams, Flagstaff, the Grand Canyon, and local lakes. Hiking, fishing, biking, touring on old Route 66. The list is quite amazing and we are all blessed to have it available to us. And there are plenty of opportunities to come together with our neighbors.

We have numerous events held at SFE every year (usually held at the fire house). A few that comes to mind: CERT training, Neighborhood Watch meetings, Memorial Day and Labor Day breakfasts, and Bingo sponsored by the Fire Auxiliary. Movie nights, hayrides and potlucks sponsored by your POA. And of course our Fourth of July weekend annual meeting. I urge all of you to stay involved with your SFE community.

Check out the Sherwood Forest Estates website at www.sherwoodforestestates.org or see the latest announcements at the SFE Entrance sign. I hope to see you at the Fall event on Oct. 1st.

Your President,
Jim Poley

SFEPOE Annual Meeting

SHERWOOD FOREST ESTATES PROPERTY OWNERS ASSOCIATION ANNUAL MEETING JULY 2, 2011

BOARD MEMBERS IN ATTENDANCE

Dave Jones, President
Debi Switzer, Vice President
Jim Poley, Secretary
Sue Hadley, Treasurer
Jud Swearingen, Newsletter Editor
Rusty Rothman, Member at Large
Betty Ferrier, Member at Large

President Dave Jones called the meeting to order at 9:00 am.

After the Pledge of Allegiance, President Jones provided a brief description and purpose of the Property Owners Association.

SECRETARY'S REPORT – Jim Poley

The July 3, 2010 Annual Meeting minutes were distributed. A Motion to accept the July 3, 2010 Annual Meeting minutes as published was made by Debi Switzer and seconded by Rick Switzer. The motion was approved by voice vote.

TREASURER'S REPORT – Sue Hadley

A report of income and disbursements for the period July 1, 2010 through June 30, 2011 was distributed. It showed a bank balance as of 6/30/11 of \$2,519.88. The major disbursement made was for an Automated External Defibrillator to be kept at the Fire House. A Motion to accept the report was made by Debi Switzer and seconded by Pam Poley. The motion was approved by voice vote.

NOMINATIONS COMMITTEE – Debi Switzer

Debi Switzer headed the board nomination committee. She thanked outgoing board members, Dave Jones and Sue Hadley, for their service to the Property Owners Association. The committee presented the names of Mike Kowren and Cathy Cook as nominees. No additional nominations were received from the floor. A Motion to elect the two nominees was made by Jim Poley and seconded by Pam Poley. The motion was approved by voice vote.

SFE FIRE DEPARTMENT – Wayne Marx

Fire Chief Wayne Marx explained the latest fire restrictions. No fires or fireworks are currently allowed. There were no major wild fires this past year. He gave a status of the fire department and recognized its members and volunteers.

FIRE DEPARTMENT AUXILIARY – Betty Ferrier

Betty Ferrier recognized members of the auxiliary. She provided a description of the auxiliary and listed money raising events. They have donated decals for fire engines, signs and equipment. They will also update the wiring of the fire house. Family Bingo Night returns on September 17.

KAIBAB NATIONAL FOREST SERVICE – Deirdre McLaughlin

Deirdre McLaughlin of the Kaibab National Forest shared updates on the latest fire restrictions in the forest. There will be "hoot owl" restrictions until further notice. No firearms are to be used. She shared details of the new travel management rules for the Kaibab Forest. No more cross-country travel is allowed. Flyers describing the restrictions were provided. She answered questions on the recent prescribed burn on the forest behind the fire house.

COUNTY SHERIFF'S DEPARTMENT – Deputy Antonio Tararan

- The Mountain Rose section of Minstrel Road is a private road. This has been verified with County Zoning. Any unauthorized access will be considered trespassing. A locked gate will be added. The Sheriff's Office and Fire Department will have keys to the gate to be used in case of an emergency.
- Several burglaries were reported this past year and are being actively investigated by county detectives.

NEIGHBORHOOD WATCH – Rusty Rothman, Gerry Blair, Greg Rebus

- The Property Watch Program is sponsored by the County Sheriff. There are currently 50 properties under watch in our neighborhood by volunteers.
- Recent burglaries appear to be an isolated incident. Most calls in our area are for ATVs and speeding vehicles.
- House Neighborhood Watch signs have been purchased. We are still waiting for Public Works to install them.
- A speed control trailer has been ordered and requested to be placed in the neighborhood.
- More Neighborhood Watch block captains are needed.
- CERT (Community Emergency Response Training) is being provided to prepare local volunteers to assist in local emergencies. We have 18 trained residents so far.

REAL ESTATE INFORMATION – Bill Miller

Bill Miller of Williams Real Estate provided real estate statistics for the area. Eight SFE properties were sold in the past year. Twelve properties are currently for sale. One is in foreclosure. It is currently a buyers market.

RAFFLE DRAWINGS

Drawings were held giving out gift certificates to Doc Holiday's, Pancho McGillicuddy's, Pine County Cafe, and Red Raven.

ADJOURNMENT

The meeting was adjourned by President Dave Jones 10:42 am.

Williams Special Event Schedule next year

In addition to our wonderful weather here in the summer, we are also fortunate to have such a variety of activities to keep us entertained. Here is a summary of the Williams special events to look forward to:

Memorial Day weekend: SFE Auxiliary Pancake breakfast at the Fire House and in Williams it's Rendezvous Days with Trader's Row, Fishing Derby, BBQ, and Parade. Also there are hourly steam engine rides at the train depot on Sat and Sun.

June has National Trails Day, Corvette Tour (100+ shiny Corvettes), HOG (Harley Owners Group) Rally, Rodeo, and War Birds Air Display at Valle.

July: SFEPOA annual meeting at the Firehouse. In Williams, for the 4th of July weekend there is a Railhead shooting competition, hourly steam engine rides again offered at the depot, BBQ festival, 4th of July parade at 6pm on the 4th, and many more family activities. Women's Barrel Race. Community Homemade Ice Cream Social at the Community United Methodist Church at 2nd and Sherman. The donations go to the Police Department

August offers Team Roping, Cool Country Cruise-in, (which last year had more than 250 classic cars), Miss Route 66 Pageant, Dog Agility contest, Rotary Club Western Auction at Miss Kitty's, Fly-in at Valle Airport with activities for the whole family.

September: Labor Day Weekend: SFE Auxiliary Pancake Breakfast at the Firehouse and in Williams there's a rodeo and a 5K and 10K fun run. Other Sept activities are an Amusements Carnival, Century Bicycle Ride, Mexican Independence Day festival, Habitat Benefit Golf Tournament, and a really special event, the Taste of Williams, this year at Bearizona.

If you haven't yet been to Bearizona, it's a must! And even if you have, it's changing and growing so a repeat visit is a treat. There's so much to do--walking, hiking, biking, ATV-ing, picnicking, golfing. Nearby Flagstaff has lots of summer concerts, arts and craft shows, and various festivals. Check the local newspapers or www.williamschamber.com or www.flagstaffchamber.com for more information.

Moonsgt Pit

WILLIAMS, Ariz. – Moonset Pit was open Saturday, May 14 to allow residents to deposit forest debris from their private property. The pit is located on National Forest land west of Parks and east of Spitz Springs on the north side of Old Route 66.

The pit will be open the following dates: Sept. 24 and tentatively Oct. 8 and Oct. 22.

Fire personnel and community volunteers will staff the pit from 9 a.m. to 3 p.m. to ensure access and prevent disposal of unauthorized materials. Only natural, woody debris from private property can be deposited.

You can take steps to reduce the risk of wildfire damage to your home. Clearing flammable material away from your home reduces the risk of a wildfire from starting or spreading on your property. It also gives firefighters an area to work in.

Illegal dumping at Moonset Pit has been a major problem. Pit abuses include dumping items other than natural, woody debris and dumping outside of the pit when the gate is closed. Please help us continue to offer this community service by using the pit appropriately.

For more information please call Ray Raetzel at (928) 635-0059 or Ann Dudley at (928) 635-0417.

From Your Fire Department

So much to say and so little space. It's hard to admit that I am one of those dinosaurs that went kicking and screaming into the computer age. Because of this I have missed many golden opportunities to cash in on the value of direct information emails. Not all of you are interested in what goes on in and around the fire station but for those who are I will encourage you to add your name and email address to the upcoming "Notes From The Firehouse" E messages and alerts. (It might also be a plus if you owned a computer) The intention is to provide you with important information in a clear, complete and timely manner.

The following is an example of topics that would have been more appropriate to share as they came up instead of waiting for the seasonal POA news letter.

Last chance to take advantage of the lot thinning program:

The phrase "you can lead a horse to water" comes to mind when trying to sell this program to the remaining holdouts in the neighborhood. The program is starting to run low on the grant funding that made it possible. Add to that the dwindling interest shown by our property owners will soon push the remainder of programs focus into other areas of the state. For what it would cost you to have an arborist drop one tree, you could have your entire acre lot assessed, marked, thinned and the cuttings processed. In limited situations, even lots previously processed can have additional work done. If you snooze you lose, big time. Call the FD office this week to sign up.

Focus shift on our call-out procedures:

Let's face it; we're not getting any younger and the way we were set up to respond to medical assist calls was out of date. Fortunately, we learned quickly where we needed to improve before anyone suffered from our shortcomings. We now have in place a new guideline that allows us to respond quicker with vastly improved and standardized equipment. We are also working on a course that will take our people to a higher level of medical response preparedness. The neighborhood in general and the SFEFD in particular owe a huge debt of

thanks to the private donors who have recently provided our department with the additional equipment vital to properly respond to cardiac calls. Details will follow in the E letters.

Volunteerism:

Ever notice the social phenomena where the same core of volunteers is relied on to do the majority of the work for the good of the entire community? Well, the same thing is true in this neighborhood and some of our volunteers would like a break or at least a little more help. I know when recruiting for the fire department, people have the impression that the duties we might expect them to perform are beyond their capabilities or some feel they might be too impacted by age or health issues to be of significant use. Not so. We have projects and duty assignments that are easily tailored to a wide assortment of skills as well as impairments. Please check with the office and see where you might best be able to help. Again, details to follow in the E letter.

The list of things I would like to share with you today would take the entire newsletter so I'll just ask that you consider signing up for the upcoming E letters which, by the way, will also be going out to several of our neighbors at Mountain Rose Ranch who wish to become more involved in our community functions.
