Moonset Pit to Re-open Green Waste Disposal on May 7th

Williams, AZ, May 2, 2022 – For Immediate Release. The Kaibab National Forest, in cooperation with the communities of Parks and Sherwood Forest Estates is pleased to announce the reopening of Moonset Pit on May 7, 2022 for residents to dispose of green waste materials from private property.

The pit will be open every other Saturday from 8:00 a.m. to 2:00 p.m.:
Saturday-May 7, Saturday-May 21, Saturday-June 4, Saturday-June 18, Saturday-July 2, Saturday-July 16 and Saturday-July 30, 2022.

Users will only be allowed to access and discard natural woody debris such as logs, limbs, branches, brush, needles, and leaves on these dates while staff is present. No bagged substances, lumber, construction material, household garbage or any other items should be deposited at the site.

Moonset Pit is located just west of the Parks community on a dirt road east of Spitz Springs on the north side of old Route 66.

The Kaibab National Forest would like to thank Coconino County for providing the facility at the Moonset Pit, and for helping manage the vegetation, pine needles, branches, and other waste there. Also, thank you to all of the volunteers who have helped manage this vegetation waste disposal site over the last 15+ years. Specifically, thank you to Kathie Krushinsky, Sue Hamilton, and Joanie Raetzel for all of their volunteer contributions. Their work makes it possible for us to continue providing this free opportunity to our community.

The Moonset Pit serves the local area providing a location for the disposal of natural forest debris. Residents are encouraged to take advantage of this facility to make their private property more defensible against the threat of wildland fire.

2022
