Hadley's & Dudley's say, "They have to go!"
OH, NO!!! Please tell us that just isn't so!
They'll live, now, in the Valley of the Sun
Will they be missed??.... by over a TON!!!

For years they supported our SFE
And helped enrich the community
Fire Dept, POA, AUX and more....
...Plus no more needles from the forest floor! ☺

Four friends that never once muttered a "NO"
To our communities' "Neighbor's Helping" motto
So let's let them know how much they do rate
And come join together to help celebrate!!!

Wednesday, **October one-five** is the day
5PM at the FH, you know the way
So come to the **Pot Luck** with a fav dish
And share with both couples your own farewell wish.
